There is only one reason why you don't wear SELZ Shoes and that is because you don't know how comfortable they are.

Everybody who knows Selz Shoes wears them. Everybody who looks into the making of shoes finds out to his satisfaction that Selz Shoes are made better, look better, wear better than any other shoe at the price.

There is only one way to find out how good Selz Shoes are. Come in and let us show it to you. We will tell you point by point, where and how Selz Shoes are better than all others. Then try a pair.

### MR. EWING

Says in Regard to Night Riding.

"The deplorable violence, which has occurred through the tobacco district of Kentucky and Tennessee, which has been the occasion of much unfavorable comment of the association, is such as called forth our strongest protest and disclaimer. We would have the world know the association members are of the flower of manhood and citizenship, strong and intellectual and courage, as great respecters of law as liberty, and while our heads are never bowed at the voice of calumny, we must unswervingly declare and devote ourselves to the maintenance of law and order as the very bedrock of civilization."

"Lawlessness never has been and never must be allied with this association, and this association must in reality, be as high above the standard of those many hypocrites throughout the

tobacco district, who traduce its character, as the skies are above the earth."

### R. F. D. 3.

## ALLEGED NIGHT RIDER

Youth Takes His Own Life  
After Talking Over  
The Prosecution.

John Prescott, of Lyon  
County, Under Indict-  
ment For Raid on Bir-  
mingham, Shoots  
His Brains Out.

Possibly despondent because  
of his alleged connection with  
night riders, John Prescott, 19  
years old, member of a promi-  
nent family, shot his brains out  
Wednesday just after noon in the  
presence of his father, mother  
and sister, and before his awe-  
stricken father could wrest the  
weapon, a .38 caliber revolver,  
from his grasp.

Young Prescott had been in-  
dicted for participating in the  
raid at Birmingham, Marshall  
county, where an aged negro and  
a child were killed. Suit for  
\$50,000 damages has also been  
filed against him by the surviv-  
ing victims of the raid.

Prescott was the son of Henry  
Prescott, a prominent farmer of  
"between the river" section of  
Lyon county. He has always  
borne a good reputation, and did  
not realize or think that a crime  
would be committed for which he  
might be hanged. When it was  
found out and he was indicted he  
became so despondent that he  
ended his life.

## STRONG CHARGE

Judge Stout Instructs  
Woodford Grand Jury  
To Keep After Night  
Riders.

Versailles, Ky., Oct. 22.—Judge  
Robert L. Stout, in making his  
charge to the grand jury of the  
October term of the Woodford  
Circuit Court, urged them to  
continue the investigation begun  
by May grand jury of the burn-  
ing of the tobacco barns of George  
C. Graddy and John E. Harris  
by night riders last March. He  
charged the jury to vigorously  
pursue this investigation without  
any fear and without sympathy  
or feeling of self-interest, and to  
return indictments if they found  
sufficient evidence, no matter  
against whom they were brought.

If every grand jury in the  
State would do its duty fearlessly,  
he said, without regard to  
persons, the wave of lawlessness  
would be arrested and stopped.

## UNION OF THREE CHURCHES

Proposed at Meeting to be  
Held in Chicago.

Chicago.—A joint congress of  
Baptists, Free Baptists and Dis-  
ciples, looking toward a closer  
relation of the three churches,  
will be held at the Memorial  
church of Christ Oakwood boule-  
vard and Cottage Grove avenue,  
Nov. 10, 11 and 12. The three  
bodies are closely and polity, and  
in many cases, local communions  
of the denominations have united.  
The Disciples in Chicago is a  
conspicuous instance. The  
Rev. I. J. Spencer, Lexington,  
Ky., Disciple; the Rev. Carter  
W. Cate, Providence, R. I., Free  
Baptist and the Rev. L. A. Cran-  
dall, Minneapolis, Baptist, will  
give their views on the proposal  
that the three churches unite.

## Olds Gasoline Engines

### Some Special Features of the "Olds."
